Hello, Pocoyo!

Pocoyo is doing
something very
special today.
He's putting on
a *circus*!

Pocoyo's friends Pato, Elly, and Loula will help.

Pocoyo puts on his circus costume,
It's time for the first act!

Fred the octopus
is going to juggle!

Fred has never juggled
before. He tosses one
ball into the air . . . then
two . . . then three.

Fred is juggling!

Fred juggles faster and faster, and then—
whoops! The audience does *not* like
Fred's juggling.

Next up—Pato the clown!

Pato does not know how to be a clown.
Bounce, bounce! He jumps up and down.

Tap, tap! He tap-dances.
The audience is *not* impressed.

Now it's time for the
mighty Elly!

Elly is strong. She is going
to lift very *big* weights!

One, two, three!
Elly lifts and lifts.

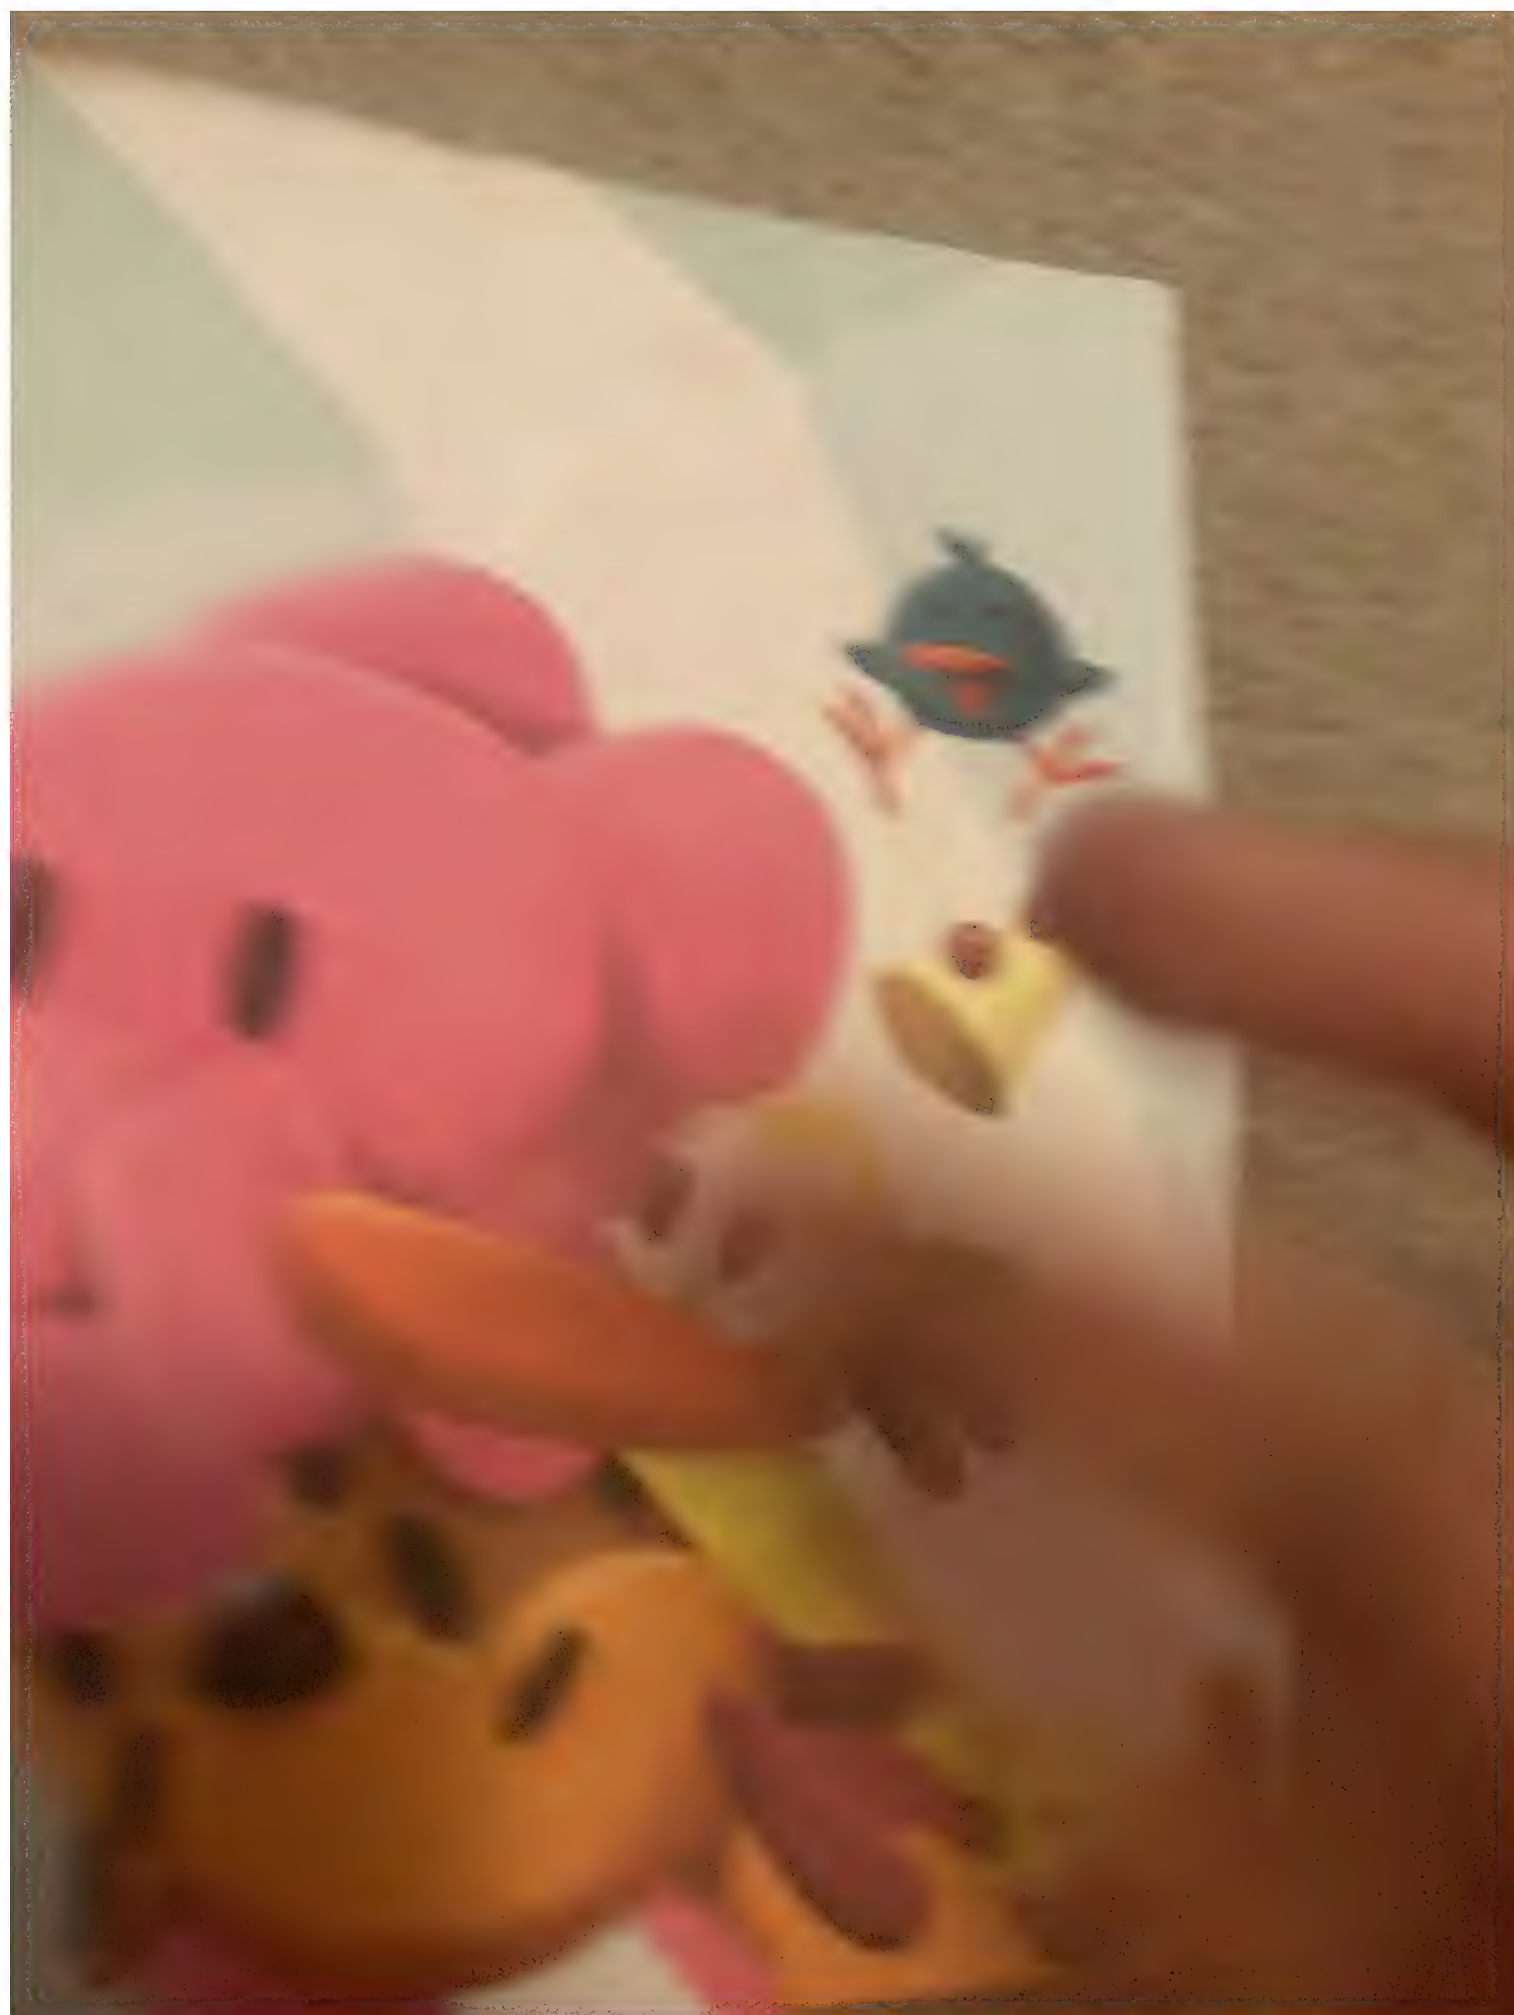

Here comes Baby Bird. *Uh-oh.* She steals one of Elly's weights. The weights are not heavy at all!

The audience does not like being tricked.

It's time for the **big finish!**

Pato and Sleepy Bird will swing
on the trapeze.
Loula will be a fierce lion.

And Elly will jump off the
high dive!

Pocoyo puts on a blindfold.

Ready, set, go!

Swish! Pato
swings through
the air and—

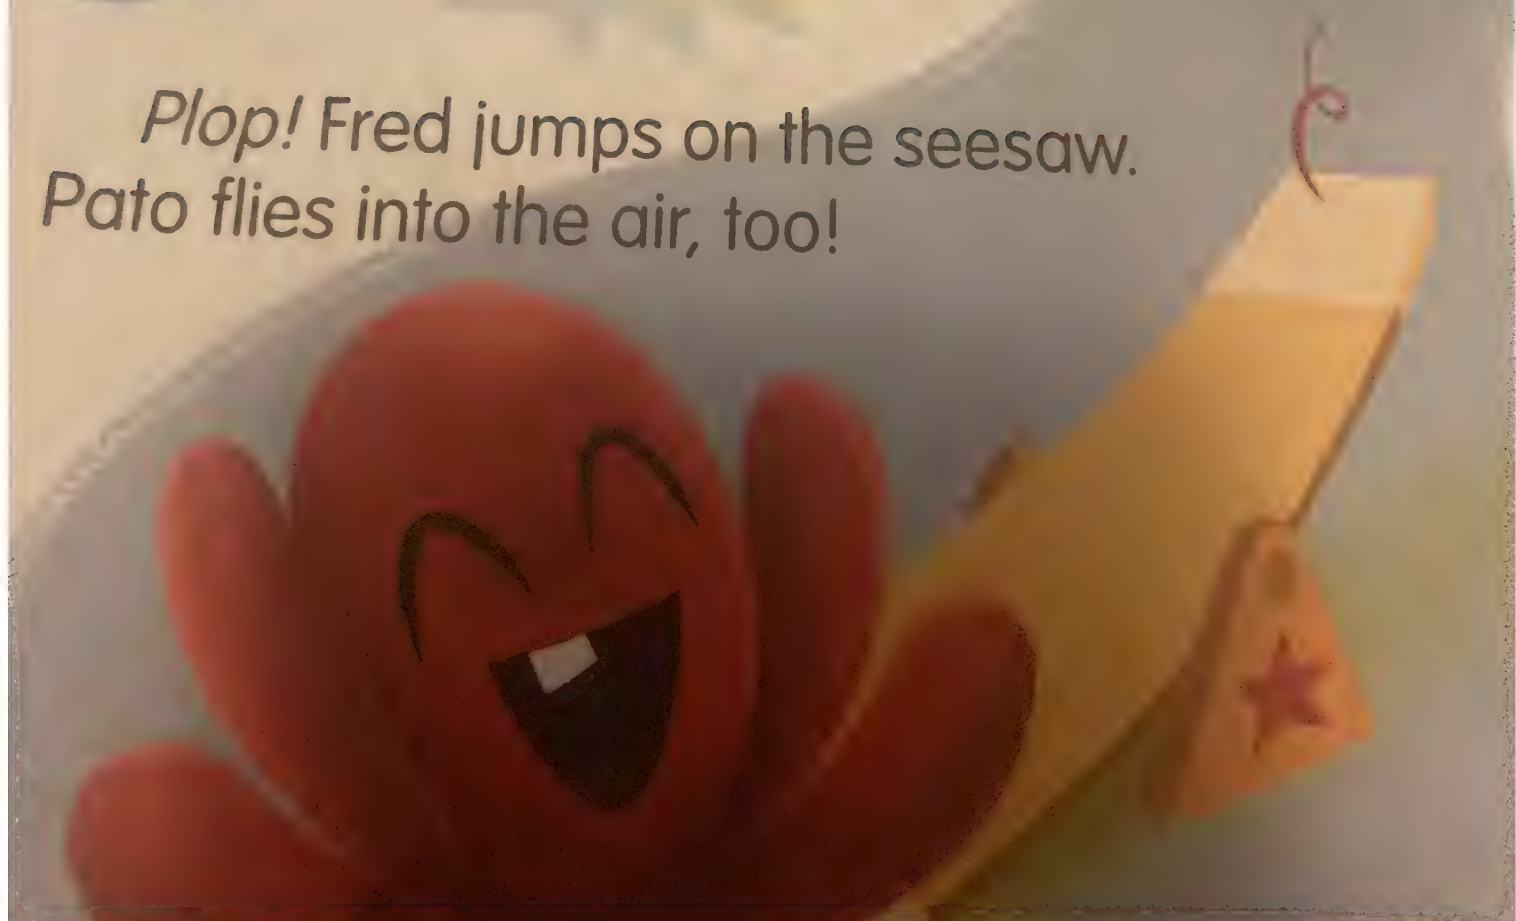

Oh, no! Sleepy
Bird is sleeping!

Oomph! Pato lands on Pocoyo's
seesaw. Pocoyo flies into the air!

Plop! Fred jumps on the seesaw.
Pato flies into the air, too!

Just then,
Sleepy Bird
wakes up—
and bumps
Elly off the
high dive.

Elly falls *down, down,*
down toward a bucket
of water.

Oh, no—
Loula drank
all the water!

Pocoyo, Pato, and Elly are falling
to the ground! Who will save them?

A colorful illustration of a scene from the animated show 'Pocoyo'. Fred, a pink dog with a blue collar and a white ruffled bow, is at the top, juggling three green balls. Below him, Pocoyo, a small yellow bird-like character with large eyes and a green beak, is upside down, balancing on a green ball with three orange discs on sticks. At the bottom, Pato, a blue duck-like character with a red shirt and blue pants, is jumping joyfully on a green ball, creating a starburst effect. The background is a light beige color with a large, soft grey shadow of the characters.

Fred's three
juggling balls!

Pocoyo bounces
Pato bounces.
Elly bounces.

One, two, three! They all
land in the center of the ring.

The audience laughs and cheers.

What a finish!

Hooray for the circus!

Hooray for Pocoyo!
